Financial Guidance for expat teachers working in the UAE

Henk is our financial specialist who we exclusively refer our teachers to. He is on his way to come and see all Dynamic Personnel's teachers in Dubai. He will speak on the issues of offshore investments and guidance on how to best work with offshore money as well as the tax implications when moving this around. He is an absolute specialist in his field.

There will be an orientation evening in Dubai which you can attend to find out more. He will also make appointments to speak with teachers individually to discuss their personal situation and to guide them best.

Contact Alicia directly if you'd like to attend the orientation evening on 29 November.

"I also use Henk for all my personal financial guidance and can seriously recommend him to ALL our teachers!" - Alicia, Chief Executive, Dynamic Personnel.
